

### ***Our Condolences***

Hernan and Lucia Baigorria, friends of the Chorale from Montevideo, Uruguay, produced the video of our performance of Mozart's Regina Coeli, which has been on our website, displaying the musical talents of the Chorale. In January Lucia was diagnosed with lung cancer, their baby boy, Lucca, was born on February 23, and Lucia passed away April 19. We wish to convey our sorrow for the family's loss as well as our appreciation for their donated work to Arizona Masterworks Chorale.
